CELLPACK
Electrical Products

Ladies and Gentlemen,

The new European regulation REACH (**R**egistration, **E**valuation and **A**uthorisation of **C**hemicals) concerning chemical products has been enforced the 1 June 2007. The objective of this regulation is the environment protection, as well as the protection of the health of the population.

The pre-registration delay expired the 1st of December 2008, therewith ending the first phase of the implementation of the REACH regulation.

Cellpack is glad to inform you that all products concerned by REACH (EG) Nr.1906/2007 have been registered. The CELLPACK products do not contain any SVHC (Substances of Very High Concern) at a concentration > 1% , as per the list of the European Chemical Agency ECHA, published the 28.10.2008 on the Web site http://echa.europa.eu/chem_data/candidate_list_en , or the list contained in Annexe XIV of the EG Nr.1906/2007 regulation.

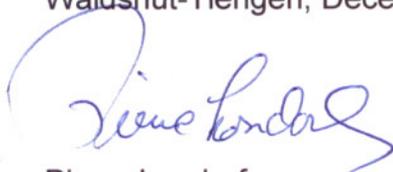

CELLPACK customers are herewith guaranteed to receive products respecting the latest regulations.

Our staff remains at your entire disposal for any further question. Please do not hesitate to contact us or send your request to reach@cellpack.com.

Thanking you for your ongoing support, we remain

Sincerely yours.
